COMMON ORDER:

All these writ petitions have been filed questioning the show cause notices issued to the writ petitioners to show cause as to why they should not be terminated from services as they are working on the basis of bogus Karnataka Teacher Training Certificates.

Learned Government Pleader for School Education submits that nearly about 197 such teachers have been continued in the services pursuant to the directions of this Court based on the said certificates in various districts of Andhra Pradesh and giving them scales and salaries of regular teachers. It is further submitted that the Government has considered the case of the petitioners as well in G.O.Ms.No.180 Education (SER.III) Department dated 30.12.2004 by giving them three years time to acquire the training qualification in one of the DIETs of Andhra Pradesh Government and they are eligible for regular scales and salaries of regular teachers.

In view of the aforesaid Government Order in which the names of the petitioners have also found place in the annexure attached to the said GO, I am of the opinion that no further orders are necessary in these writ petitions.

The writ petitions are accordingly closed. No costs.
